About Us

Our ISO certified company, Sunil Brothers, is a competitive business entity that is constantly working hard under the vigil of Mr. Sunil Dhiman to meet the diverse equipment and many other requirements of our clients. We specialize in designing and manufacturing premium grade Laboratory Instruments, Clean Room Equipment, Scientific Instruments, Laboratory Hot Air oven, Dry Hot Air Oven, Inoculation Chambers, Tissue Culture Racks, Slide Cabinets, etc. Providing these with a guaranteed level of quality, we have become a respected manufacturer and exporter in the market. By exporting approximately 20% of our total production, we have gained a significantly huge clientele in numerous foreign markets we deal in. The goal is to constantly utilize best production techniques in order to produce better quality and more quantity for our precious supporter in the market.

Post our incorporation in 1988, we, Sunil Brothers, kept working with absolute dedication and benefiting our clients to the fullest. It helped us in earning a huge clientele for ourselves in the market. With our hard work, we became the number one in eyes of medical experts, industrial experts, chemists and scientists. We aspire to become more popular in the future years to become the leading name on the global scale by constantly offering top class Laboratory Instruments, Scientific Instruments, Clean Room Equipment, Laboratory Clean Room Equipment, Hot Air Ovens, etc.
